CALL ISSUED FOR STATE LEAGUE

President Tobin Believes Such an Organization Would Meet With Success.

President John F. Tobin of the Utah state league yesterday sent out letters to the baseball managers or prospective managers of Murray, Ogden, Park City, Eureka, Spanish Fork, Bountiful, Wandamere, Provo, Garfield, Draper, Brigham City, Lehi, Bingham and Lagoon, asking for the sentiment in these places for a Utah State league.

Owing to the entrance of the Intermountain league in Salt Lake it is believed it will be impossible to frame an organization such as the one of last year, where the pooled gate receipts paid the expense

the pooled gate receipts paid the expenses of the league. Under this arrangement Salt Lake paid the big share of the expenses of the league, but with two teams in Salt Lake this season it will be impossible to do this the coming year. President Tobin believes there are enough ball players in Salt Lake at present who have good positions which they cannot afford to sacrifice for chances in the Intermountain league, to form a team of such class that it will receive good support from the fans. He has also received word from Manager Middleton that the Occidentals will be stronger this year than last, as they will have practically all of last, as they will have practically all o the best men of the last year's team and they are now trying to land a pitcher from the famous Leyland Giants of Chi-cago. The Occidentals say they do not care what turns up this year, they will have a team which will have to be reck-oned with when it comes to playing base-
